For nearly six decades the Lapeer County Concert Choir has brought people together through the shared experience of music. Since 1968, our volunteer singers have enriched the cultural life of Lapeer County by presenting choral performances that inspire, educate, and connect our community. Our mission is to provide vocal music education, enthusiasm, enjoyment, and enrichment for its members and the community at large. This season, under the direction of Heather Hundt, the Lapeer County Concert Choir will present "Christmas Through the Ages", a musical celebration of the season from the very first Christmas to today. We have 3 performances scheduled in December.

As a volunteer non-profit organization, we depend on the generosity of local businesses, organizations, and individuals who believe that the arts strengthen our community. Your sponsorship helps provide the music scores, promotional materials and media, stipends for venues, insurance, and director and accompanist salaries that are necessary to present quality performances while expanding access to live choral music in Lapeer County.

When you become a Community Partner, you are doing more than sponsoring a concert - you are investing in a tradition that has served our community for six decades and helping ensure that future generations continue to experience the joy and inspiration of live choral music. Each Fall and Spring season, your sponsorship will reach over 500 people.

We invite you to partner with us at the level that best fits your organization or personal interest. Your generosity will help us continue enriching lives through music while receiving recognition for your support as outlined on the enclosed form.

Thank you for considering this opportunity to invest in the arts and people of Lapeer County. We are grateful for our support and would be honored to recognize you as one of our Community Partners.

With sincere appreciation,

Michelle DeBuck, on behalf of the LCCC
