The Lapeer County Concert Choir is a non-profit organization celebrating its 56th season of providing quality choral performances. Our volunteer membership consists of vocalists from Lapeer and surrounding counties. Throughout the year, the choir performs several concerts of historical, uplifting and inspiring music.

It is the choir's goal to continue presenting high-caliber music, starting with our two winter concerts in December, followed by two spring concerts in May. Jennifer Orkisz, in her first year with the choir, has chosen music that will inspire and delight. Our winter concerts this year are entitled "A Wreath of Carols" which consist of well-known classics and even some from other countries.

This entire artistic endeavor would not be possible without the generous support of businesses and individuals. We have giving levels to accommodate all household and corporate budgets. Supporters can either purchase a program ad for their company, or simply be listed as a community sponsor.

Many arts programs and enrichment opportunities in our community are being cut due to challenging financial times. We are proud to keep choral music alive so that generations can continue to enjoy the power of united voices.

Your support for the Lapeer County Concert Choir is deeply valued and most appreciated. Thank you.
